Education

Signature School - Senior | 3.9 GPA

Extracurricular Activities

Scouts BSA - 2017-present

I am an Eagle Scout and I have served in the Senior Patrol Leader, Webmaster, and Quartermaster roles in addition to others. As an Eagle Scout Service Project, I built a fence for a conservation organization. I attend weekly meetings.

Speech and Debate - 2022-present

I have participated in the Impromptu, International Extemporaneous, and World Schools Debate events in my three years doing this activity. I go to meetings every week during the school year.

Robotics Club - 2025-present

Currently, I am the President of Robotics Club, which I have been in since it was restarted at my school after a long period of inactivity.

Mock Trial - 2023-present

I have played witness and lawyer roles in my three years in Mock Trial, which I attend weekly meetings for during the school year.

Trap and Skeet Shooting - 2023-present

I am on the Boonville High School Trap and Skeet Team and attend weekly practices for trap shooting. I have also done the skeet discipline, for which I went to two state tournaments.

Golf - 2023-present

I am on my school's golf team and go to weekly practices and occasional tournaments during the spring golf season.

Hoosier Boys State - 2025

I attended Hoosier Boys State and learned how city, county, and state governments work. I was elected mayor of my city.

American Rocketry Challenge - 2024-present

I helped found an American Rocketry Challenge team at my school and designed and built a rocket, in addition to raising funds for the 2026 competition.

National Honor Society - 2024-present

I helped organize a large-scale version of the Clue board game, and I currently tutor students in German and mathematics.

Conservation Club - 2024-present

I gather funds and helped raise awareness to support local and national conservation organizations like Reef Rescue and Wesselman Woods.

Service Projects

Eagle Scout Service Project - 2024

I built a fence for my local chapter of the Izaak Walton League of America, one of the oldest conservation organizations in the United States. The project involved ordering large quantities of materials and directing several volunteers over the course of multiple work sessions.

Catholic Heart Workcamp - 2022

I took part in a week-long service project in which I helped paint houses for physically disabled people who were unable to afford to have this done.
